

Seeking expressions of interest for VAC's Trans and Gender Diverse Advisory Group

Background

VAC is Victoria's largest HIV and LGBTI service provider and is committed to supporting and promoting the health and wellbeing of sexually and gender diverse communities.

VAC would like to invite expressions of interest from trans and gender diverse community members who would like to join the VAC Trans & Gender Diverse Advisory Group for the period of 2017-2018.

The Advisory Group will be established to support VAC by providing practical advice on the development and implementation of the VAC Trans & Gender Diverse Health Development Strategy and Action Plan.

The scope of the Advisory Group includes: general medical services, sexual health services, alcohol and drugs, HIV services, mental health, health promotion, policy, diversity and inclusion.

In line with VAC's community participation processes this is a volunteer opportunity.

Purpose of the Advisory Group

- Provide subject matter advice to VAC on the development and implementation of the VAC Trans & Gender Diverse Health Development Strategy and Action Plan
- Provide advice on the establishment of specialist trans health services at VAC
- Provide a community perspective on innovations of health care delivery

Meeting Frequency & Location

Meetings will occur once every 2 months. The meetings will be held in South Yarra, 6 Claremont Street.

Application Process

If you would like to submit an expression of interest please forward the following to transhealth@vac.org.au

- Resume
 - A letter briefly addressing the key points below.
1. Demonstrated understanding of the lived experience of health and wellbeing issues impacting trans and gender diverse communities.
 2. Demonstrated connection to trans and gender diverse communities and/or community groups or organisations.
 3. Availability to commit to regular advisory group meetings.

Applications close 5pm April 7th, 2017.
